Repanet

A network of certified independent car repair centres.

More than **700 repair centres in 16 European countries** now carry the Repanet logo and offer high quality repair refinishing and customer orientated service at fair prices. Repanet provides a cross border full service for motorists in Europe as well as for international businesses such as leasing and fleet companies and car dealers.

More than **500,000 vehicles** of all brands are annually **professionally repaired** in the Repanet specialist refinishing centres, meeting the respective manufacturer requirement standards.

Repanet was founded by the German car refinishing paint systems provider – [Standox](#).
