

OEM Approvals

Franchised dealers or independent approved repairers using Standox can all reap the benefits of technically superior products. They can rely on paint systems that satisfy all their needs, and also meet the demanding requirements of the world's leading car producers.

Standox has now attained approvals from all leading manufacturers, proving our products meet the quality specifications of the OEM carmakers. Naturally this makes Standox an ideal partner for bodyshops, the car manufacturers and dealers globally.

These contracted approvals set the standard for various aspects such as:

- Product systems
- Warranty approval
- Training
- Services and
- Colour management.
