
Classic Color Partner

With the market for classic car repairs on the increase for the foreseeable future, Standox selected bodyshops can benefit from classic colour partner.

Giving you the chance to increase revenue and offer an exclusive service, Classic Colour partner certifies your business with a high quality plaque. Helping new customers to be familiar with your bodyshop, this service attracts a new market.

Standox is there to help you:

- estimate the work effort of all steps of the repair process,
- protect historical parts effectively against corrosion,
- find the right color shade,
- mix the required paint in an environmentally friendly way and
- make the surface shine like new.
